With  
Access Realty*

Independent agents know the challenges of working on their own, juggling the varied tasks associated with every transaction. Access Realty offers agents the systems and infrastructure to deliver an unmatched client experience and the opportunity to maximize their income – Doing this allows an agent to remove the business limitations associated with being a solo agent.

**We offer agents:**

- The best systems and tools
- Smooth open-to-close transaction management
- Database systems and management
- Marketing programs to agents' past clients and SOI
- No desk fee
- Aggressive splits
- Company paid travel

**Prospective agents must:**

- Be experienced agents who want to provide top notch service
- Want to continue to grow and improve their careers
- Have a minimum of 2 years of real estate sales experience
- Have a minimum of \$4 million lifetime sales volume
- Be a full time agent

After spending years developing and perfecting a unique approach for real estate agents, Access Realty is searching for new talent. By offering an astute combination of mentoring with in-the-field training, worldwide travel opportunities, and full administration support, we've succeeded in separating ourselves from of our competitors.
